

## POST 16 – PS-1

### MEET THE STAFF

**Class Teacher:** Rebekah Clee

**Educational Teaching Assistants:** Karen Hall

**Activity Support Workers:** Helen Foster and Jodie Hayes

### What Happens in Our Class?

Welcome to PS-1. We have 7 students in our class. We follow a sensory and creative curriculum which enables each student to be engaged and excited within their learning. The classroom has been carefully designed to offer bespoke learning opportunities for all students. This includes a kitchen where we are working on life skills, a large sensory provision and a range of IT equipment.

### The School Day

All students have a personalised curriculum which enables high levels of engagement and excitement through learning. These personalised targets are achieved through a range of opportunities including physiotherapy, sensory experiences and specialist communication classes. The school day is carefully designed to access the outstanding range of provision at school and the areas within it. This includes the hall for sports, hydrotherapy and the amazing sensory pod.
