

Employers -

How you can get involved in our School Careers Programme

At Fairfield School, we encourage employers to visit school and to get involved in our Careers Programme. There are many ways that you can get involved:

- Assembly talks
- Employer workshops
- Dragon's Den activity
- Enterprise projects: Baking, Craft and Horticulture
- Employability workshops e.g. preparing for interview, what to wear for interview, mock interviews.
- Creative projects

We also encourage our students to visit work places to gain experience of the world of work. Can you offer any of the following?

- Work place visits/tours
- Work shadowing
- Work experience taster days
- Work experience placements

Please contact the school's Careers Leader for more information and to discuss opportunities:

Careers Leader: Lucy Roche
