

## **Leading Parent Partnership Award (LPPA)**

### **Fairfield Schools is committed to investing in parents and carers for the achievement of pupils**

We are working towards achieving the nationally recognised Leading Parent Partnership Award (LPPA) to help strengthen our school's partnership with parents. LPPA is a national award that will provide us with a valuable school improvement tool and give us recognition for our commitment to working with parents.

### **What are the Benefits of Achieving this Award?**

#### **The LPPA will help us achieve these long-term benefits:**

- contribute to improved pupil attendance, punctuality, behaviour and progress
- increase parent participation and involvement
- enhance parents' support in their children's learning
- improve communication between home and school.

### **How Does the School Obtain the Award?**

#### **The school must demonstrate a commitment to working towards the LPPA with effective plans in place to achieve a specific set of objectives. These objectives focus primarily on ensuring the school:**

- is a welcoming, communicative and friendly place for parents.
- promotes the awareness and participation of all groups of parents in supporting their children's learning and developing their own learning
- provides good induction for all new parents.
- provides parents with relevant and user-friendly guidance and information to help them support their child's learning
- produces and implements parent friendly policies to establish effective home school-links and improve pupil attendance, punctuality and positive participation in school.
- provides good support for all parents as their children move through or leave the school

## **How Can Parents Get Involved**

Your views are important in helping us understand what we are doing well and how we can do even better. Therefore, as a first step we need your input to help evaluate our current provision. Parents have been sent questionnaire – if you have not received this, please contact Tanzila Ilyas: [tanzilailyas@fairfieldschool.uk](mailto:tanzilailyas@fairfieldschool.uk)

It should only take a couple of minutes. All responses and suggestions will be carefully considered and used in our planning.
