Fairfield continues to be a good school!
OFSTED – June 2022

Dear Parent & Carers

As we come to the end of another successful year at Fairfield we are able to celebrate all the achievements made by everyone at the school.

Firstly, we are proud to confirm that following our recent OFSTED inspection on the 8th/9th June, 'Fairfield School continues to be a good school.' The report highlights that the school 'always embraces uniqueness' and 'all pupils experience a relevant curriculum that meets their individual needs.' Furthermore, 'staff support pupils consistently and confidently' and 'lessons are skilfully delivered by well-trained staff'.

The full report is now available on the school website.

The last year has seen much improvement to the learning environments across the school, inside and out. Further upgrades to the main corridors have facilitated easier access for wheel-chairs and the range of equipment that support a large majority of our students. Further plans to improve ventilation and extending air-conditioning across the school remain as priorities in the current school development plan. The recent additions to the sensory meadow and re-furbished pond area are further developments we are very proud of which benefit our students immensely. As you will be aware the latest plans for improvement include the development of the central playground area which should make a huge difference to the play experiences on offer to all our students. We hope to continue fundraising to be able to support this current project and hopefully see it in place by next Easter.

It is that time of year when we also say goodbye to our Year 14s who have spent so much of their life at Fairfield School. Our recent Leavers Presentation was a great opportunity to give a great send off to our Leavers and wish them all the best of luck in their next journey into adulthood. We will miss you all!

We also say goodbye and send best wishes to Judy Dennett (teacher) who has decided to leave the school this Summer. Judy has worked at the school for 8 years and will be missed by everyone.

A final thank you goes to all of you who have continually supported the school and your children, over the past year in particular. Your valued engagement and involvement have enabled the school to achieve the Leading Parent Partnership Award (LPPA) which acknowledges high parental participation leading to improved pupil progress and achievement. Your continued support makes a huge difference and we always keep our doors open to this.

We have had a fantastic year of events and we continue to push for more experiences that make a difference to our students. Thank you once again for continuing to support these through attending and demonstrating your support. A huge thanks also goes to Pinnacle FM and other external agencies who have additionally raised funds to support our on-going projects in school.

We look forward to establishing the new school uniform from September and you will all have had the chance to order before the holidays through the office. Any further orders will be able to be taken at October half term if required.

For any other emergencies or essential family updates throughout the holidays, please contact Tanzila (Assistant Headteacher) by email:

tanzilailyas@fairfieldschool.uk

SEPTEMBER 2022

School will re-open on Tuesday 6th September.

Have a great Summer break and take care over the holidays!

All the very best.

Headteacher
