MEET THE STAFF

Class Teacher: Jane Jones

Educational Teaching Assistants: Tilly Foulger, Lucy Tomlinson, Leanne Hartley, Mykaela Howard, Laura Scott

Activity Support Officers: Rashid Aswat

Lunchtime Supervisors: Sam Manning, Gemma Clift

What Happens in Our Class?

We are a very active and fun-loving class. We enjoy lots of physical activities including ABC, visits to the school meadow as well as trips in the minibus to the shops, park and local swimming baths. Communication skills are a key part of learning and this includes oracy, symbols and signs to make our requests known. We are part of the semi-formal pathway and we take part in lots of curriculum activities and events.

The School Day

We do lots of personalised learning towards our individual targets with a focus on phonics, reading, maths and life skills. We also have lots of fun when we come together as a whole class making delicious food, sharing music, art, yoga and PSHE.

Our community visits are very important as they give us the opportunity to learn to communicate and engage with members of the public.
