What Happens in Our Class?

Welcome to F8. We have 7 students in our class. We follow a play-based and sensory curriculum with different topics every term. Our timetable is full of exciting sessions such as sensory story, yoga, story and peer massage, jabadao and resonance board. We access other areas of school daily such as ABC in the hall, rebound, hydrotherapy and swimming.

The School Day

School starts with continuous provision, personalised learning and breakfast. Some students access ABC to regulate their start to the day, some work on their mobility, whilst others work on their independence skills. Students have a personalised timetable which includes individual sessions, whole class session and smaller targeted groups.
