

## Semi-Formal – F9

### MEET THE STAFF

**Class Teacher:** Emma Marsden

**Educational Teaching Assistants:** Naila Esmail and Nahida Parveen

**Activity Support Officers:** Rochelle McNulty

**Lunchtime Supervisors:** Gemma Murrock and Sarah Benson

### What Happens in Our Class?

Welcome to F9. We are a class of 7 students who follow a semi-formal curriculum. We are a fun-loving class who enjoy learning and always try our best. We enjoy a range of different learning opportunities and promote independence. We take part in different therapy sessions such as hydrotherapy, rebound, massage therapy, yoga and physiotherapy.

### The School Day

We start our day with daily movement and exercises; this is through ABC sessions (Agility, Balance and Co-ordination) and physiotherapy. All students have a personalised timetable which allows them to meet their personalised targets through 1:1 work, paired activities or small group work. We also do some group lessons such as communication, sensory stories, maths, music, art, food technology, resonance board and P.E where we work on our own targets whilst working alongside our peers.
