

Pre-Formal – F1

MEET THE STAFF

Class Teacher: Iain Mackie

Educational Teaching Assistants: Becky Ellis, Paula Woodhead

Activity Support Officers: Caroline Poutney

Lunchtime Supervisors: Gemma Murrock, Claire Overend

What Happens in Our Class?

In F1 we explore using all our available senses creating a multi-sensory learning space. In our learning space we focus on what our students can do and look to build our skills in one area before moving them across a range of different areas. We seek to ensure our students know they can have a positive and meaningful impact on the world around them.

The School Day

Our school day in F1 starts with our daily Sensology lesson, where we wake up our senses together. We then move into individual sensory spaces where we can work independently. We also run several interventions i.e. physiotherapy, hydrotherapy and rebound therapy. We have a group lesson before lunch, for example TAC PAC. After lunch we have different 1:1 interventions such as sound beam and eye gaze.
