

## Pre-Formal – F4

### MEET THE STAFF

**Class Teacher:** Louise Marsh

**Educational Teaching Assistants:** Demi Palmer, Cat Hancock, Kirsty Roberts

**Activity Support Officers:** Leanne Ormston

**Lunchtime Supervisors:** Diane Grogan

### What Happens in Our Class?

We are a lively class of five students, who like to stay active. We follow a sensory curriculum and all our learning is based around a termly topic.

Our classroom has lots of space for us to explore and express ourselves. We have a large outside area where we enjoy time to play and regulate.

We love to listen to and make lots of music throughout the day.

### The School Day

We start every day with a lively Hello session. We like to sing and dance to different songs to get ourselves ready for the day. This is followed by a snack and time to play outside. We then have a sensory based lesson such as tac- pac or a sensory story. After lunch we have an active lesson such as PE, parachute games or MATP. We like to join the rest of the pre-formal pathway for assembly once a week.
