

Early Years 1

MEET THE STAFF

Class Teacher: Kath Jameson

Educational Teaching Assistants: Becky Robb – Senior ETA; Melanie Bairstow ETA; Laura Scott ETA (Wed am); Dominic Camponi ETA

Lunchtime Supervisors: Michaela Senior; Gemma Clift.

What Happens in Our Class?

At the heart of our learning is play and engagement! We also love music, so do lots of learning that involves instruments and music.

We love playing in all the different areas in our base, including water play, in the sensory den and in our soft play area. We like playing outside and getting out and about in the community. We do lots of work on our independence and key skills.

We love celebrating events such as Diwali, Eid, Christmas and Bonfire Night!

The School Day

The school day is personalised to every one of us in Early Years! This means we get access to all the different things we may need in the day to help us progress and learn to the best of our abilities, including hydrotherapy and sign and sing.
