

Early Years 2

MEET THE STAFF

Class Teacher: Saima Yaqoob

Educational Teaching Assistants: Shameema Jogee

Activity Support Officers: Faith Redman and Jackie Blanchfield

Lunchtime Supervisors: Natsuki Barlow and Debra Uttley

What Happens in Our Class?

We have 8 students in our class which is a fun loving and exciting class. We love working hard and helping each other. We have a lot of sensory activities planned everyday as our needs are very complex and we need the sensory input in our everyday routine.

The School Day

We all have a personalised timetable and our school day starts with doing our physio and then going into our standers where we like joining in with a highly sensory 'hello' session. We then have a session which could be a sensory story, Tac-Pac and Handi-Pac or art based.

After dinner we do a 'good afternoon' session with all our friends and focus on resonance board, MATP, sensory yoga and Walrus sessions which we really enjoy.
