

Semi-Formal – F10

MEET THE STAFF

Class Teacher: Jane Jones

Educational Teaching Assistants: Rashid Aswat, Demi Palmer, Mark Short

Activity Support Officers: Amy Foley, Gemma Clift

Lunchtime Supervisors: Sam Wadsworth, Hazra Akhtar

What Happens in Our Class?

We love learning in many different ways that support our personalised learning needs. Communication is a key skill and this is supported by the use of oracy, Makaton, symbols and gestures. Trips into the community are important for us to practise our life skills and develop our understanding of the world outside school.

The School Day

We do lots of personalised learning towards our individual targets with a focus on phonics, reading, writing, maths and life skills. We also have lots of fun when we come together as a whole class making delicious food, sharing music, art, yoga and PSHE.

Our community visits are very important as they give us the opportunity to learn to communicate and engage with members of the public.
