

Pre-Formal – F4

MEET THE STAFF

Class Teacher: Ben Randles

Educational Teaching Assistants: Becky Ellis

Activity Support Officers: Lisa Dunford, Yuqin In

Lunchtime Supervisors: Gemma Clift, Kath Neild

What Happens in Our Class?

We are a friendly group who love learning through our multi-sensory curriculum. We enjoy exploring all our senses through individual and group activities. We love creativity and can often be found working on an art project. We develop ourselves physically through our OT programme and take part in rebound therapy and swimming.

The School Day

The school day starts with a morning greeting and a positioning session. We usually then work on developing our senses through a sensology programme. We enjoy learning on the soundbeam or eye-gaze and often work on the see and learn ipads. We take part in shared group activities such as 'Sign and Sing'. We have a lesson in the afternoon and then pause for reflection time before getting on bus to go home.
