

Semi-Formal – F6

MEET THE STAFF

Class Teacher: Hazel Ettienne

Educational Teaching Assistants: Jill Goff, Shahnaz Younus

Activity Support Officers: Stacey Smith

Lunchtime Supervisors: Kath Neild, Sarah Benson

What Happens in Our Class?

Welcome to F6! There are eight students in our class and we enjoy a range of activities and interventions aimed at keeping us busy, active, engaged and happy! We love sensory stories and this term we are reading *The Gruffalo*. We also enjoy food technology, music and careers-focussed tasks and lots of physical activities including yoga, visiting our new sensory integration room, sensory pod and the outdoor swing.

The School Day

We all have our own timetable which is personalised to us. We work on things that we enjoy and are important to us. We follow a sensory-based curriculum and are all working on being as independent as possible, developing life skills and being introduced to new environments and activities. We visit Crow Nest Park, local shops, enjoy swimming and sensory walks in our fabulous sensory meadow.
