**Class Teacher: Mandy Riddle,** Stacey Elkin

**Educational Teaching Assistants:** Dawn Milvern, Lucy Tomlinson, Claire Hill

**Activity Support Officers:** Fatima Mulla

**Lunchtime Supervisors:** Jane Hancock, Vahida Jogyat

### What Happens in Our Class?

We are an active and inquisitive class who love to explore. We are working hard on our communication and life skills, with support from our class team to promote our independence. We love hands on resources, to support our learning. We are working hard to help make our own snacks and feed ourselves. We are also aiming at teamwork and sharing with and helping our friends.

### The School Day

We start each day with movement and mobility sessions. Our timetable across the week includes yoga, food technology, sensory story, PSHE life skills, music. Our personalised timetables provide access to activities to meet individual need, including structured learning activities, Hydrotherapy, Rebound, See and Learn. Each day we have greeting, snack times and outdoor playtimes, and reflection time when we celebrate our work and achievements for the day.
