

Semi-Formal – F9

MEET THE STAFF

Class Teacher: Emma Marsden

Educational Teaching Assistants: Nahida Parveen

Activity Support Officers: Rochelle McNulty and Lauren Drury

Lunchtime Supervisors: Diane Grogan and Riffat Sheikh

What Happens in Our Class?

Welcome to F9. We are a class of 7 students who follow a semi-formal curriculum. We are a fun-loving class who enjoy learning and always try our best. We enjoy a range of different learning opportunities and promote independence and life skills. We take part in different therapy sessions such as hydrotherapy, rebound, massage therapy, yoga and physiotherapy. We also enjoy spending time outside in the meadow and our newly developed playground.

The School Day

We start our day with daily movement and exercises through ABC sessions (Agility, Balance and Co-ordination) and physiotherapy. All students have a personalised timetable which allows them to meet their personalised targets through 1:1 work, paired activities or small group work. We also do some lessons together such as Communication, Sensory Stories, Maths, Music, Art, Food Technology and P.E where we work on our own targets whilst working alongside our peers.
