

Class	Teacher	Pathway	Learning Opportunities
EY1 EYFS/KS1	Rachel Bradley-Cooper (RSE)	EYFS/KS1 Pathway	<p>At Fairfield, we plan personalised curriculum pathways which are designed to incorporate ideas and theories from across many different curricula.</p> <p>We strive to encourage and develop a strong sense of achievement within all our pupils that will stay with them throughout their lives. Our personalised curriculum is highly differentiated for the needs for each individual. Whichever pathway/s pupils follow, they are given the support and time to consolidate their skills and generalise their learning opportunities.</p> <p>Through our nurturing environments, both indoors, outdoors and the local environment, we build each individual's potential to succeed in learning as valued members of our school community.</p> <p>We believe in having a positive approach towards school life; our pupils are supported to become motivated and confident individuals. We want all our pupils to access the best education through an array of outstanding personalised opportunities. We aim to have the highest standards of teaching across school and to provide meaningful and relevant curriculum strategies to meet the needs of each individual.</p>
