

Early Years– EY1

MEET THE STAFF

Class Teacher: Rachel Bradley-Cooper

HLTA: Stacey Elkin (Thursday AM, Friday)

Educational Teaching Assistants: Becky Robb, Laura Scott (Wednesday AM)

Activity Support Officers: Melanie Bairstow, Lynsay Hardcastle

Lunchtime Supervisors: Gemma Clift, Michaela Senior

What Happens in Our Class?

In EY-1 we love exploring our classroom, the outdoor area and the sensory areas. We learn through play, making independent choices and also through focused activities. Throughout the day there are times that we will work independently, in groups or as part of a whole class. We have lots of opportunities for real life experiences and hands-on learning.

The School Day

When we arrive in school we have different activities each day (matching, sorting, threading). We then work on our physical skills through physio or ABC sessions. Next we enjoy our communication session and group snack time. We enjoy a variety of sessions throughout the week including sensory story, sensory art, movement sessions, sensory pod, outdoor learning, rhyme and music, hydro and so much more!

Each day we have opportunities for enhanced provision and therapies, including hydrotherapy, rebound and much more.
