Class Teacher: Sam Wadsworth & Fatemah Tai

Educational Teaching Assistants: Cat Hancock

Activity Support Officers: Leanne Ormston, Anna Slusarczyk

Lunchtime Supervisors: Safina Weston, Hayley Stanwick

What Happens in Our Class?

Welcome to F1. We are a class of 7 students who have either just arrived in school or have moved up from Early Years. We are a busy class who enjoy learning in the different areas of the classroom and do small group work with our teachers. We enjoy a range of different learning opportunities as well as having class jobs that promote independence. We take part in different intervention sessions such as ABC, hydrotherapy, rebound, massage therapy, yoga, eye-gaze, sensory pod and Makaton.

The School Day

Our school day is a mix of whole class, small group sessions and 1:1 work. We aim to cover our personal learning goals through both. We have daily Movement, Good morning. Number and Letter sound sessions and enjoy songs with actions and signs. Over the week we do PE, music, story art, food technology, dough disco, resonance board, looking after ourselves (life skills)
